ANNE SAUSSOIS · CONVULSIONS · 2023 · CRAYONS SUR PAPIER · 10 x 12 CM

Convulsions

MOMENTS

At each moment there were images of destroyed buildings, images of gaping windows, collapsings. Impossible to avoid them.

Black shapes, black holes, my painting starts here around these elements.

I search for new ranges of colors, created by layers of successive paint, until fragments of light emerge.

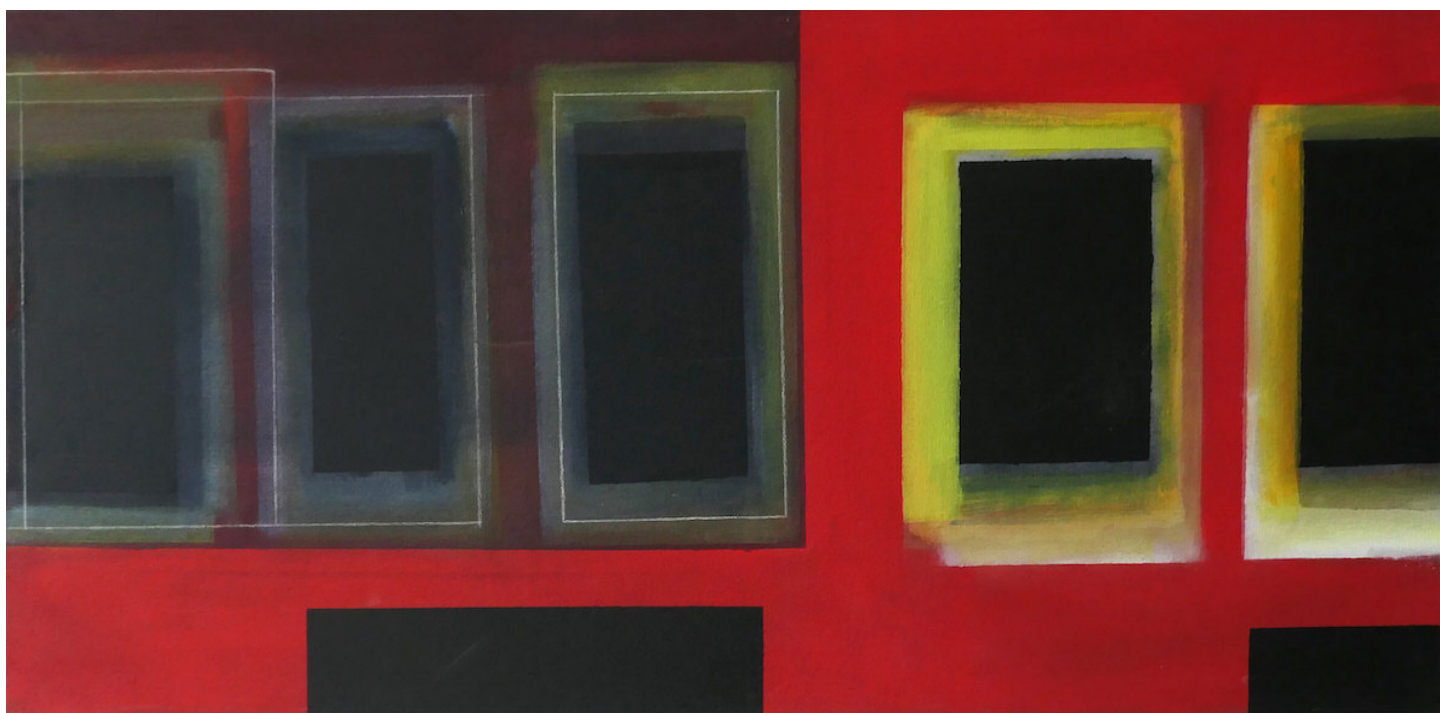

Geometry is always present with this constant idea

« Accept balance only if it remains unstable »
